A. GENERAL

1. Preamble

The operating policies of the Surrey Lacrosse Association (referred to throughout this document as “SLA” or “the Association”) are designed to ensure consistency in the day-to-day and season-to-season operations of the Association. They are designed to ensure fair and equal treatment to all our participants (athletes, coaches, referees and parents). These operating policies must always be consistent with the goals and objectives of the Association as laid down in its Constitution & Bylaws.

2. Subservience

These policies are subservient to the Constitution & Bylaws of the Surrey Lacrosse Association as well as any policies laid down by the various governing Lacrosse bodies including the Canadian Lacrosse Association (CLA), British Columbia Lacrosse Association (BCLA) and its Directorates and, if applicable, the policies of the Lower Mainland Minor Lacrosse Commission (LMMLC) and Senior Leagues. If any conflict is found, the Executive of the Surrey Lacrosse Association will, at its first opportunity, cause such conflicting policies to be changed to meet or exceed the standards set by the governing body.

3. Official Colours

The official colours of the Surrey Lacrosse Association are royal blue, orange and white.

4. Use of Logo

No person shall use or reproduce the current or any past Surrey Lacrosse Association logo for any reason, except for the Executive or anyone granted permission by the Executive. In order to obtain permission, a letter outlining why and how the logo is to be used must be sent to the Executive for consideration and possible approval.

5. Fair Play

The Surrey Lacrosse Association is fully committed to the [Fair Play Codes](#) of the Government of Canada (Fitness and Amateur Sport). The Association will do everything in its power to ensure that all its participants are adequately trained to ensure that fair play is incorporated into our team practices and games and that players are taught the importance of honesty, integrity and respect.

6. Amendments

The Operating Policies of the Surrey Lacrosse Association may be changed by a simple majority vote of the Executive at any regular or special meeting as long as a quorum is present.

B. PLAYERS

1. Registration

- a) Registration will be on a first come first served basis. Every attempt will be made to place all applications received each year. All registrations taken at the Official Registration days of the Association (as set by the Registrar and approved by the Executive each year) will be accepted. Registration after the official registration days will be on a space available basis as defined in the team size policy.
- b) Registration fees shall be set each year by the Executive.
- c) Refunds shall be as per the most current policy posted on the SLA web site.
- d) Only registered players may participate in SLA team games and practices. Athletes not yet registered are not allowed on the floor until officially registered by the Registrar. Coaches and other team officials cannot accept registrations in order to circumvent this rule. The practice of coaches recruiting players registered with other associations to play on SLA teams is not condoned by the Association.
- e) Any players requesting a release from their home association in order to register with SLA (or vice-versa) must adhere to the LMMLC Operating Policy Clause D-1 - Residency Rule Guidelines & Penalties Guidelines. Non-resident players considering a move to SLA are advised to make written application to the SLA President prior to requesting a release from their home association, as approval by the Executive and LMMLC is required before the player can be registered with SLA.
- f) Requests for player releases to other associations must be forwarded in writing to the SLA Executive stating the players rationale for requesting the release. Each release will be evaluated on its individual merits. Generally speaking, a release will only be considered when the Association cannot field a team in the current playing season or there are extenuating circumstances. No player residing within the SLA catchment (north of 40 Avenue in the City of Surrey) may play for another association without prior written release by SLA and approval/placement by the LMMLC.

2. Team Size

- a) Individual team registration should be set at a maximum of 16 for PeeWee age down as long as all players registered at the official registration days have been placed. The Executive will determine the team size for each division after the official registration has taken place.
- b) Teams in the Bantam and Midget Divisions will be exempt from the 16 player maximum.

3. Playing Up

a) **Minor Division to Minor Division**

- (i) Player movement is governed by the BCLA Minor Directorate Operating Policy and the LMMLC Operating Policy.
- (ii) SLA does not believe it to be in a player's long-term best interest to permanently play in a division older than their own age. Requests by the parents will not be considered sufficient cause for SLA to allow players to permanently play for a team of higher age. In rare instances, where a player has obviously outclassed his/her peers throughout the season just over, a Coach may, with the parent's approval and most importantly the players desire, make a recommendation to the Executive that for the next season the player be allowed to register with the next highest age group. In no case will a player be allowed to advance more than one division past his/her peers. In subsequent years, the situation must be reviewed by the Executive to determine if the player should continue to advance ahead of his/her peers or if he/she should remain in the division for an additional year and be reunited with players his/her own age. The latter should be the normal decision of the Executive barring substantial evidence of the player's ability to continue to outclass his/her peers.

b) **Minor Division to Senior Division**

- (i) Player movement is governed by the BCLA Minor Directorate Operating Policy and the League Agreement of the Senior Division team in question.

BCLA Minor Directorate Operating Policy, Regulation 6 states:

- 6.1 *No player qualified to play within the jurisdiction of the Minor Directorate shall sign a Senior player registration form.*
- 6.2 *Notwithstanding the foregoing, a Minor Directorate player of Midget age may play up in a higher league with the permission of the Minor player's coach. There is no limit to the number of games a midget aged player may play under the Senior Directorate. The Minor coach or Minor Association designate must ensure the player's Minor obligations, including practices, league games, tournament games and Summer Games, are fulfilled before signing a one-game permit.*
- 6.3 *Violation of any of the above shall result in suspension of the player and the coach of the Senior Directorate team for whom he/she played.*

- (ii) Should a Surrey Lacrosse Senior Team require the services of a Minor Division player, the coach or manager of the Senior Team must first contact the Minor Division coach for permission to contact the player. Upon agreement of the player to play up for the Senior Team, the coach or manager of the Senior Team must obtain a signed BCLA "One-Game Permit" form from the Minor Team coach prior to

game time to submit to the scorekeeper. Should the Minor Team coach be unavailable, he/she may delegate authorization to a registered Assistant Coach or Team Manager.

- (iii) One-Game Permits are required for all Minor Division players to play up throughout the extent of the lacrosse season (even if their teams are eliminated from the playoffs). The only exceptions are graduating midget players whose teams have been eliminated from playoffs, who do not require permission from their coaches to play up.
- (iv) **Under no circumstances will a Minor Division player be permitted to play for another association's team in the same Senior Division league where Surrey Lacrosse Association has a team (i.e. if SLA has a franchise in the BC Intermediate Lacrosse League, players are only permitted to play for the Surrey team and no others).**

4. Conduct

- a) Players must have helmets on at all times they are playing or practicing on the floor. This rule is necessary for compliance with the Association's insurance policy regulations and will be enforced by coaches, referees, and all other Association members at all games and practices of the SLA.
- b) For insurance purposes, only registered players, coaches, referees, managers or trainers may enter the playing surface during the duration of the game**
- c) Players are bound by the General Rules of Conduct listed in Section J.

5. Player Development

- a) The SLA Player development model and guideline is outlined in the document "Surrey Lacrosse Player Development Guidelines" located on the SLA website.

6. Team BC Selection

- a) SLA shall annually budget \$500 in each of the PeeWee, Bantam and Midget divisions to sponsor any player(s) who try-out and successfully make the Team BC in those divisions. A maximum of \$500 will be awarded to each successful player, and should more than three (3) players succeed in making Team BC in any one fiscal year, then the \$1,500 shall be divided equally amongst those players.
- b) Should the SLA face a financial hardship in any season, the Executive may decide to temporarily suspend the sponsorship for that season.

C. MINOR DIVISION TEAMS

1. Team Selection

The Association has two distinct team selection and tiering processes to meet the completely different needs of the Novice and younger players versus the PeeWee and older players:

Non-Tiered Divisions / Balanced Teams

At the younger age groups, or where two or more teams will compete at the same level within a division, SLA will make every effort to ensure the balancing of all teams at the particular age group. To ensure this, prior to the season, joint evaluation practices will be held by all coaches of the particular age group. All of the coaches will participate jointly in the running of these practices to ensure that all coaches have an equal opportunity to work with the players and evaluate their skills. In conjunction with the Coaching Coordinator and Division Coordinator (if applicable), the coaches will jointly rate the relative skills of all players and make selections by way of rotating draft until all available players have been selected as defined in the Player Evaluation & Draft Policy.

Tiered Divisions / Select Teams

At Novice and older divisions (where the LMMLC recognizes tiered play), SLA will try to field a team in the highest possible category. This means, for example, that the Association would try to field an A1 and a B level team in a division in preference to two A2 level teams. With this general principle in mind, the Association will recognize that in some instances it may not have a group of players capable of being competitive at the A1 level. In this case an exception may be allowed. The important concept is competition - this does not mean the ability to win the league championship or a Provincial Medal but rather that the team be able to win a fair share of games and not be completely outclassed by any of the opposition teams it will face in the regular league play. Further details outlined in the Player Evaluation & Draft Policy.

Regardless of tier level the Association is committed to the athlete having fun first and foremost and believes that this can best be achieved by having each individual, and thereby collectively the team, play at the most appropriate level of challenge. Top level players only have fun and are only able to grow in skill if they are stretched - it is in nobody's best interest for a player to play either above or below the skill level that is appropriate for him/her.

The Coach Coordinator shall appoint a Head Coach for each division, being the top tiered Coach. Under the direction of the Coach Coordinator, the Head Coach is to run open try outs for all Athletes of that age group. All other coaches of same division are encouraged to assist. The structure of the tryouts / evaluations shall be approved by the Coach Coordinator.

Top tiered team to carry set number (2 - 3 positions, predetermined) above final roster positions and must release to the lower team at no less than 7 days prior to first scheduled

tiering game of said division. The remaining players will go to SLA's second team, or if more than two teams are formed in the division, the process will be repeated with the second level coach having first pick of the remaining players, and the third coach forming his/her team from the remaining players (or if the remaining two teams are to play at the same level, a draft will be held in the same manner as outlined for non-tiered teams).The trickle-down effect to the lowest tiered team(s) in said division is to ensure the Rosters are set prior to Tiering play.

The association will ensure that there is ample opportunity to evaluate the players. It will be up to the Coaches of these teams / divisions to take advantage of these opportunities. If coaches are not acting in good faith to this understanding the matter will be handled by the Association Executive.

2. Player Evaluation & Draft Policy as per SLA Player Evaluation Process

The following guidelines have been established to ensure players at all age levels are fairly evaluated and that team selection is performed in a fair and timely manner. Separate evaluation processes have been established for balanced and select teams.

These guidelines have been developed in order to suit the size and composition of the Surrey Lacrosse Association at the time of writing. Deviations from this process may be necessary (e.g. players unable to attend due to extenuating circumstances); however, these deviations will be assessed by the coaches and the Surrey Lacrosse Executive on a case by case basis.

Surrey Lacrosse Association will make every effort to ensure we stick to the following timelines for Team / Player selection. These efforts, with the assistance and cooperation of the association coaches, will aid in insuring a successful season for all.

- Mini Tyke & Tyke Divisions
 - Team Selection / Player Draft shall commence the week after Spring Break of given season.
 - Evaluations shall be scheduled prior to Spring Break with options of holding further evaluations / practices may be held during spring break based on availability and coaches discretion.
- Novice Division and above:
 - Team Selection / Player Draft shall commence the week prior to Spring Break of given season.
 - Evaluations shall be completed the weekend prior to the scheduled Player Draft

Player Pool development

- Initial Player pools for tryouts / evaluations shall use the prior year's evaluations including year-end evaluations submitted by the coaches at the end of the season. These pools will give an intial guide to building evaluation pools but shall not predetermine in any such way team selections and are only to be used for initial pooling purposes.

- Players may move between different pools within the process of the evaluations

Balanced Teams

The following process will be applied to player evaluation and selection in divisions where teams are to be equally balanced. This includes all Mini-Tyke and Tyke teams as well as any division where Surrey Lacrosse will be fielding multiple teams in a single tier in any division.

- 1) A minimum of two, one hour evaluation sessions must be held. This may include practice and game situations at the coach's discretion.
- 2) No independent evaluators are necessary.
- 3) Players should be evaluated based on the skills outlined on the attached player evaluation sheet. Forms found on the Website.
- 4) Once all evaluation sessions are complete, coaches must submit their completed player evaluation sheets to the Surrey Lacrosse Executive to have them compiled in to a master list that will include overall rankings and scores for each player
- 5) Coaches may protect/pre-select a maximum of 3 players for their team. This is meant to help accommodate players whose parents have volunteered to be coaches or managers and is not meant as a method for coaches to protect players based on their skill level. The score assigned to these players will determine the team's initial ranking heading into the player draft.
- 6) The player draft will be facilitated by a member of the Surrey Lacrosse Executive with coaching representatives from each team present.
- 7) The initial draft order will be determined based on the initial ranking of each team (the team with the lowest ranking will go first). If there are teams with equal initial rankings the draft order will be randomly selected (e.g. through coin toss or other similar method).
- 8) Team rankings will be updates following each round based on the players they select.
- 9) Player selection will continue until all players have been placed on a team.

Select Teams

The following process will be applied to player evaluation and selection in divisions where select teams (i.e. A1, A2, B) are being assembled. This will only occur in Novice through Midget levels. Mini-Tyke and Tyke teams will be balanced.

- 1) A minimum of three, one hour evaluation sessions must be held. This may include practice and game situations at the coach's discretion. Preseason practices and/or gym sessions are not meant for player evaluation; consequently, player attendance at preseason sessions should not play a factor in player placement.
- 2) Independent evaluators should be included in the evaluation process whenever possible. Ideally, the number of independent evaluators will be equal to or greater than the number of coaches involved in the evaluations.
- 3) Players should be evaluated based on the skills outlined on the attached player evaluation sheet.

- 4) Following evaluations, players will be ranked based on the evaluations from the independent evaluators and the coaches.
- 5) The coach of the team that will be competing in the highest tier (A1 or A2, depending on declaration) will be given a list of the top X ranked players to select their team from¹. The value of X will be determined as the number of players to be carried on the team plus 5 (not including goaltenders).
- 6) Once the highest tier team is selected, the coach of the team that will be competing in the next tier will be given a list of the next X ranked players to choose their team from (not including goaltenders)¹. This list must include the 5 players that were not selected for the higher tier team.
- 7) This process will continue until all of the select teams have been selected.
- 8) The remaining players will be assigned to the house team(s).
- 9) If more than one team is to be fielded at a given tier, balancing must occur as outlined above.

3. Drafting of Late Registrants

The Coaching Coordinator, or designate, with the help of the division coaches, will determine the skill level of each late registered player. The players will be assigned to the teams as follows:

- a) To the teams with the fewest number of players (coaches names will be drawn to determine order of selection); and
- b) After the teams all have the same number of players, the Coaching Coordinator will assign players to coaches in the same order they were in the original draft.

4. Protecting Players

- a) Coaches may protect/pre-select a maximum of 3 players for their team. This is meant to help accommodate players whose parents have volunteered to be coaches or managers and is not meant as a method for coaches to protect players based on their skill level. The score assigned to these players will determine the team's initial ranking heading into the player draft.
- b) A coach may only "protect" his/her child to the extent described in the Player Draft Policy. That is, the coach must use one of his/her draft selections to choose his/her child in the appropriate round of the draft and then the next pick moves to the next team's coach. There is no unlimited or automatic protection right.

5. Balancing of Teams

After each team has had the opportunity to practice together, they shall have a scrimmage with other teams to see if the drafting process appears to have worked well. If obvious inequities exist, the coaches should work with the Coaching Coordinator to resolve them prior to the beginning of league play. If the Coaching Coordinator deems it wise, a mini-round robin tournament will be played by all teams in the division to test the balance. The Coaching Coordinator, with the assistance of the division managers if applicable, has the authority and the

duty to transfer as many players as necessary from team to team to ensure the closest possible balance of all teams in the division prior to the commencement of league play.

6. Name Bars

Name bars are not permitted on any SLA jerseys.

7. Uniforms

- a) The Association will provide each player with a jersey and shorts. Jerseys are on loan only, and a refundable deposit will be collected at registration. No refund will be issued if the jersey is not returned or is returned in a damaged condition (other than normal wear and tear). Shorts are to be kept by the player.
- b) Jerseys are NOT to be used by players during practice. They are to be worn only for games or official SLA events such as the opening ceremonies.

8. Player Movement

- a) Player movement is governed by the BCLA Minor Directorate Operating Policy and the LMMLC Operating Policy.
- b) Players may play one age group higher than that in which they are registered with the following restrictions:
 - A1 players can only play for an A1 team in an older division.
 - A2 players can play A1 in their division or A2 or A1 in an older division.
 - B players can play A2 or A1 in their division or B, A2, or A1 in an older division.
 - C players can play in a higher caliber or in an older division.
 - Novice Advanced players can only play for a B, A2 or A1 in an older division.
 - Novice House players can play for Novice Advanced or in an older division.

NOTE: A player's coach must be asked before the player is contacted regarding the possibility of playing up. The player's coach shall not unreasonably withhold permission for the player to play up. Examples of legitimate refusals are: player recuperating from injury, player's regular team playing on same day(s) as the team requesting the call-up, or player's regular team playing on following day(s) as the team requesting the call-up.

- c) After May 15th of the playing year, no player shall be able to be transferred to another team within its own playing division.
- d) After the fifth game playing up, the player is permanently assigned to the team he played his fifth game with.
- e) Players must have played a minimum of four (4) games with that team in order to qualify for Provincial Championships.

NOTE: A player can only play in one Minor Provincial Championship.

NOTE: A player, who is allowed to play in a LOWER age group, is NOT allowed to play in the Provincial Championships with that lower age team.

9. Goaltender Placement

- a) At least one experienced goaltender shall be placed on each team within a division before a senior team can take two experienced goaltenders.
- b) In cases whereby the number of teams within a division exceeds the number of experienced goaltenders, goaltenders will be placed from the senior team (i.e. A1) down by way of skill level.
- c) If teams competing at the same level within the division (i.e. two C teams in Bantam) are left with insufficient experienced goaltenders to enable one per team, the Coaching Coordinator shall conduct a lottery to decide which team gets the goaltender. The unsuccessful team's coach will have to develop a goaltender from within the team roster, which will be increased by one player over the lottery winner to compensate for the lack of experienced goaltender.

D. COACHES & TEAM OFFICIALS

1. Selection of Coaches

- a) Any person who coached in the previous season for the SLA may be invited to apply for a position in the current season. Those applications will be in writing on a form provided by the Association. Any other person wishing to apply for a position is also welcome to do so.
- b) During registration, forms will be made available to any person wishing to apply for a coaching position. After the advertised registration dates have passed, the deadline for coaching applications will be closed. This restriction will be waived in the event that no one has applied for a particular position or in the view of the Coaching Coordinator no applicant has the required qualifications.
- c) A committee consisting of the Coaching Coordinator and two or more members of the Executive will review these applications.
- d) After reviewing and possibly interviewing the applications, the selection committee will report their recommendations to the entire Executive for approval or modifications
- e) The Coaching Coordinator, who will provide selection criteria upon request, will inform each applicant of the decision(s).

2. Qualifications

- a) All coaches of the Association for Novice to Midget aged teams will be expected to be qualified to the Coaching Certification Program Minimum Standards required by the BCLA by no later than May 15th of the playing year. Potential coaches may be taken on with their commitment to meet these requirements; however, if they fail to carry through with their commitment, they will be asked to turn over direction of their team to another qualified coach.
- b) All coaches and assistant coaches of the Association must have completed by May 15th of the playing year the classroom component portion of the applicable coaching certification program. No coach or assistant coach will be allowed to take on responsibility without this level of commitment.
- c) All coaches will be encouraged to attend a referee training clinic sponsored by SLA.
- d) **Coaches Selection Criteria:**

The selection of coaches for SLA will be based upon the following criteria:

1. Attainment of the necessary Coaching Certification as specified by the BCLA and a commitment to self-improvement by taking further coaching clinics or levels.
2. A demonstrative knowledge of the technical aspects of lacrosse
3. Prior successful experience coaching lacrosse. Success measured by: improved skill of players, player enjoyment and feedback from the "SLA Coaches Profile" form.

4. Display of the personal skills that exemplify the "Code of Conduct" endorsed by the BCLA and the SLA.
5. Good organizational skills and personal commitment (e.g. runs and attends regular practices, enters tournaments, etc.)
6. Other skills (i.e. first aid) that would enable the applicant to better fulfil their coaching duties.

NOTE: Although the above items are prioritized, it is intended that they be a list without rigid barriers. For example, if one of the applicants has significantly more technical knowledge or coaching experience and is committed to attaining his/her Coaching Certification, then that person should be considered in spite of not presently having them.

3. Training Expenses

- a) SLA will pay for the course fees for first time participants in all required Coaching Certification Programs for individuals committing to coach (or assistant coach) for the Association.
- b) Requests for reimbursement of fees for higher level and for specialized courses (such as sport medicine etc.) will be considered on a case-by-case basis by the Executive.

4. BCLA Fees

SLA will pay the registration and insurance fees levied by the BCLA and its Directorates for all its coaches and assistant coaches in good standing.

5. Fines

SLA will not reimburse its coaches or bench personnel for any fines, penalties or damage costs levied by their associations or the BCLA or its Directorates as a result of non- or improper performance of their duties.

6. Conduct

- a) Coaches shall sign for and be responsible for all equipment issued their teams.
- b) All SLA Coaches and bench personnel are bound by the rules and regulations of the BCLA and its Directorates. Specific policies of the BC Lacrosse Coaches Association (BCLCA) relating to conduct are listed here as a matter of convenience:

- c) Coaches and team officials are bound by the General Rules of Conduct Listed in Section J.

7. Duties

- a) No person shall be head coach for more than one team.
- b) No two coaches may coach together on more than one team.

8. Managers

SLA will pay the registration and insurance fees levied by the BCLA and its Directorates for all its team managers in good standing.

10. Criminal Records Check

All coaches and assistant coaches are required to download from the Website, complete, and have processed by the RCMP a [Criminal Record Check](#) at the beginning of each season.

11. Coach's Attire

All coaches and bench staff will wear Surrey Rebels attire. SLA provides all head coaches with a SLA shirt which must be worn for all games and official SLA events. Assistant coaches and bench staff should also wear SLA shirts as well; teams are encouraged to purchase these for their assistant coaches through the Association at a discounted price.

E. REFEREES

1. Qualifications

All SLA referees must be members of the BC Lacrosse Officials Association and must be carded in accordance with its regulations in order to officiate at any SLA tournament, league or playoff game.

- c) Referees will not practice on the floor before or after the game, or between periods.
- d) All SLA Referees are bound by the rules and regulations of the BCLA and its Directorates. Specific policies of the BC Lacrosse Officials Association (BCLOA) relating to conduct are listed here as a matter of convenience:
